Bible Reading Plan

“**Foundational 260**” is a Bible reading plan that highlights 260 foundational passages of Scripture with which every Christian should be familiar. The plan is designed to be read five days per week, for a total of 260 days. You can use the other two days each week to catch up or re-read something for better understanding.

Resist the urge to read ahead. The goal is not to rush through this plan, but better understand the full counsel of God.

Each day as you read, begin with a prayer asking God to help you understand and gain wisdom to apply what you read. As you read, consider the following questions:

1. What did I learn about the Lord?
2. What did I learn about people?
3. What did I learn about myself?
4. Is there something I need to do?
5. Is there something I need to stop?
